- Finish your trip on the haven of Wa Ale Resort

Myanmar (Burma) is an insular nation that remains relatively untouched by the outside world and is entirely unspoiled when compared to its South East Asian neighbours.

Beginning in Yangon, you'll have some time to explore the city, with a guided tour of Yangon's markets, the iconic Shwedagon Pagoda, some of the vibrant new eateries.

You'll then transfer to Bagan, once the mighty capital of the ancient Pagan Kingdom. On your second day, you'll rise early and take a hot air balloon to witness as the sun rises over the plains of Bagan, strewn with thousands of temples and pagodas as far as the eye can see.

There is then the option to take a 3-day cruise up the Irrawaddy river cruise to Mandalay. En route, you'll stop off at a Burmese monastic school where you will have the opportunity to meet some of the residents, and understand the teachings of Buddhism.

After Mandalay, pack your hiking boots, and take a 2 day guided trek to Inle Lake. Stopping in remote villages, this is a unique way to learn the rhythm of the humble Burmese way of life.

Finally, there is just enough time for a few days R&R at Wa Ale Resort. Staying in a stunning tented villa situated on the beach, or in an intimate tree treetop villa, this is the perfect way to round off your journey through Myanmar.
